

Manage Memberships More Easily

With so many branches, departments and communication channels, membership management is a big challenge for many auto clubs – unless you have **AXIS Membership (MEM)**.

With this solution, your staff can manage all their member interactions from one place, ensuring that every client is looked after and every dollar is accounted for.

Satisfy Every Client Type

Provide specialized programs to a variety of member types – from college students and retirees – along with specialized coverages.

Increase Revenue

Enable your staff to efficiently add or renew members, while meeting their unique needs, and upselling additional coverages.

Streamline Transactions

Easily accept a variety of payment types, including cash, cheques, credit/gift cards, lockbox and pre-authorized debit, so you always get paid on time.

Ensure Timely Renewals

Effectively notify members before billing them and promptly collect their payments to increase renewals.

Enhance Your Web Presence

Use our powerful APIs to create a web experience that allows members to renew, update or share their membership and makes it easy for non-members to sign up.

Gain Insights

Gain a full range of reporting capabilities, including commission, sales, count, revenue and renewal analysis reports.

Connect to Other Systems

Easily integrate with related AXIS modules as well as third parties like insurance providers, payment gateways, banks, financial systems, bill print providers, CRMs and many others.
