

Increase Profitability & Empower Your Agents with AXIS Travel

Would you like your travel agency to have the best tools to bolster its productivity and maximize your revenue?

Then consider **AXIS Travel**, an integrated solution that will empower your whole team – from travel agent to accountant, to system administrator – to work more efficiently, consistently and collaboratively.

Cut Down on Manual Entry

Help your agents minimize data entry by integrating with CRM and booking systems as well as utilizing standardized client documents.

Increase Agent Productivity

Allow your agents to copy trips and products within trips to save time, reduce errors and create consistency.

Improve Task Management

Enable your agents to automate and track reminders (e.g. client final payments due) as well as monitor their to-do lists.

Analyze & Export Data

Enable deep booking and productivity analysis via rich itinerary and transactional databases and export this data automatically.

Gain Visibility

Finetune marketing efforts by tracking promotions as well as flagging trips and customers to measure the success of specific programs.

Know Your Customers

Monitor member and non-member profiles as well as leisure and corporate information.

Reduce Accounting Errors

Ensure accounting accuracy using automated calculations that occur as agents invoice clients.

Streamline Supplier Settlements

Settle with suppliers more efficiently via cheque and direct deposit processing and reporting as well as commission imports such as Pegasus, Paymode-X, TACS and ITSS.

Keep up with Commissions

Track credit card and non-prepaid hotel and car commissions due and remind partners of commission due dates through automated letters.

Boost Group Travel Profitability

Increase visibility across your whole group travel team, so they work more efficiently, consistently and collaboratively, ensuring that every dollar you invest in them pays off.

Drive Your Sales Forward

Automate and streamline how sales leads are captured, disseminated and managed and transform your reactive service personnel into proactive sales agents.

Integrate with Third-Party Systems

Booking systems:

Apollo, Travelport Cruise, TST, Orion, Allianz, Travel Guard and Air Canada

Financial systems:

Prophix, Great Plains, Peoplesoft and Epicor

POS:
